

GRACEVILLE
IMPORTS

PRODUCT GUIDE 2016

Graceville Imports is one of Australia's premier pottery suppliers with fashionable and functional planters designed to enhance today's homes and gardens.

We source from factories in Europe & Asia and find planters and accessories to match what people want-and what people will buy.

Our business is focused on supplying product, service and variety to the independent retailers of Australia. We are committed to building loyal relationships with our customers.

We understand wants and satisfy needs.

Our products are made with a composite stone that are designed to weather over time to give that classical aged appeal. Despite having the appearance of real stone these items are surprisingly lightweight, easy to move and transport. The composite stone is highly durable and can withstand extreme temperatures, it is also highly resistant to corrosion making it ideal for seaside locations.
