ENHANCED LIVING

A SOLUTION FOR EVERY SPACE

Designed to suit changing climates, our extensive range of handmade products are favoured by prominent designers, architects and landscapers across Australia. Our range can also be found on the shelves of leading retailers nationwide.

Our products are sourced directly from manufacturers in Europe & Asia. We work closely with our supply partners to ensure quality and a constantly evolving range to align with current and emerging trends.

With more than 60 years of industry experience, Graceville is focused on delivering exceptional customer service and building ongoing, value based relationships.

ANCIENT

Rustic earthenware pots and urns designed to suit both indoor and outdoor environments.

Placed in both contemporary and traditional landscapes, our range is handmade, creating a subtle difference in appearance for every piece.

— ANTIQUE TERRACOTTA —

These beautiful planters come to life in the kilns of Vietnam, using traditional methods to transform terracotta to a rustic finish. We recommend internal sealing to prolong the life of the pot and retain moisture for planting.

LIGHTWEIGHT

Strong and lightweight composite product designed for both indoor and outdoor use, particularly suitable for commercial environments. Our lightweight range includes styles from our Alpine, Fibrestone, Fibremag and Fossil collection.

Products come without holes, but can easily be drilled if direct planting. Planter colours can be custom designed with a lead time of approximately 8-10 weeks.

LIMESTONE

Crafted in Thailand using traditional methods, each pot is handmade creating unique markings, the colour and finish of which may vary.

We recommend internal sealing and the addition of drainage holes if required.
